Kamlah Befeats home Team in an Interesting Game.

good natured crowd of 500 ple witnessed the defeat of the te team by the Kamiah braves last Sunday by a score of 6 to The game was a splendid ex-bition up to the seventh inning, sen the home team seemed to e nerve and allowed the visitos John Mix returned yesterday for a short visit at Moscow. The school bold met Saturday and the source of the season, as we you money on core Hardware. John Holt and with have 18- awowed cambing and tremendous speed, and 15 of the Kamiah braves failed to solve the puzzle of this wall see the season will use no other. The solution of the season was well seen to see the season will see no other the season will use no other. We contain a visit to coast points curves and shoots. McCoy Hill, for Kamiah pitched a superby game the therbotist church next Sunday. Legge, the hore shore season you so when the sum of the s Curves and shoots. Accept in...

Rev. Hills will fill be pupper a few for Kamish, pixched a upperb game, keeping the hits well scattered and keeping the hits well scattered and keeping the hits well scattered and tritical stages of the game. Both Hays and Cavanaugh caught effect. Hays and Cavanaugh caught effect. Ively, and had but one passed ball scan. The visitors played good team ball and gave evidence of much practice. The features of the game were two beggers by Leeper and Hays and a fly catch in right field by Griffith. Hilton, at second, did pretty work, accepting second, did pretty work, accepting beCourcey were Lewiston visitors in right field by Griffith. Hilton, at second, did pretty work, accepting all chances that came his way at second, did pretty work, accepting all chances that came his way at all chances that came his way at although an improvement over last Sanday, were still slow, and prevented fast ball playing. The unpire, Lewis Bradbury, was fair, and his decisions, generally were not questioned. The forest control of the way and the second of the week from the Sakatchaward of the week from

this week visiting schools on the cast side.

The three year old daughter of building on his property near the form of the hill and playing with marches mear the house. The child, in company with an older borther, in some way secured the matches and in striking them to see them burn, set fire to the clothing. The mother was made aware of its dangerous predicament by the little boy, who came running into the house, the child and garceeded in extinguishing the fames, but not before the little one was badly burned about the child and garceeded in extinguishing the fames, but not before the little one was badly burned about the child and garceeded in extinguishing the fames, but not before the little one was badly burned about the child and garceeded in extinguishing the fames, but not before the little one was badly burned about the lower limbs and body.

The company was called and dressed the burns and states that the child will recover under fayorable circumstances.

At The Big Flume.

one Half Mile Completed-To be In Operation June 15th.

Alexander Hamilton was in town Sunday and reports things moving nicely at the seene of operations in building the big finme. One half mile of the work is finished as well as the dam and the poud at the bead of the structure. This company has roos acres of timber land in the vicinity of the flume and expect to do a big business in the cordiwood and lumber lines as soon as the work is completed. Tenues are now at work under the discretion of Couractor Partin, who expects to complete the structure by June 15th. The Orofino Log

THE OROFINO TRIBUNE Report of the Financial Condition L PAPEN NEZ PERCE COUNTY

SUBSCRIPTION:

It looks as though the law and order league was just a trifle slow in getting in its work in Boise.

There is one position taken by Paul
Clagatone that is at direct variance
with the Journal. It is the one
wherein he approves the policy or
Prichot in Idaho regarding the
forest reserves and water power.
Sites. Mr. Clagatone comes out
bioldly for Pruchotlism and all that
if at those for. That means allen
landlordism for more than one
third of the area of the state with
the revenues derived therefrom

SCOTT GORINA, Stater Paths

SCOTT GORINA, STATER

SCOTT GORINA, STATER the revenues derived therefrom turned into the treasury of the Federal government instead of that of Idaho. It further means a clash of authority between the Federal and State authorities at some time to the following the territory of the forest referves. For ritory of the forest referves. For water power sites it means that while the state owns the water of another streams within her territory power sites it was the water of another streams within her territory power streams within the state and the streams within the state and thus handless pan w development.

Netice to Cardinare. ment lands within the state and thus handicap any development of hydro-electric power for all time to come.—Shoshone Journal, Shoshone Jou

ment lands within the state and thus handlesp any development thus handlesp any development of the property of Bour came up for action on the part of the several State Purps.

Food Commissioners there present.

It is known pretty generally that the Federal Government holds that the Sederal Government holds that the Sede is an adulterated product ander the Food and Drugs. Act of June 20, 1000, and the character and abulteration is such that no interest upon the label will brigg blesched flour within the law."

Notice is hereby given that sealed abulteration is such that no June 20, 1000, and the character and abulteration is such that no interest upon the label will brigg blesched flour within the law."

Be described flour within the law."

The government has been seaking auch product and has the matter, and product and has the matter, and product and has the matter, and contract awards are the control of the said administration is the court. The food convention at Boise decided to akt the Foderal government has been recommended by a certified cheek submit the question to the Foderal government to either push these cases to final prosecution, or cless submit the question to the Foderal government to either push these cases to final prosecution, or cless submit the question to the season of the form of th
