THE OROFINO TRIBUNE OFFICIAL PAPER NET PERCE COUNT Published Hvery Friday SUBSCRIPTION one Vear -10 al lines, first insertion, insurent town toons appecerates made known on Application. Justered as asymmetries matter September 15. 1945, at the post office at Orofino, Malto, under the Act of Chapters of March 2, 1976.

We can't for the life of us see any more harm in a combination between O'Neil and Hamer than one between Brady and French, as svidenced by the Brady appoint-ments for Grand Old Nez Perce.

Governor Brady says Paul Clag-stone is a young man he much ad-mires and Clagstone says Brady remirrs and Classtone sitys Brady, re-licad to assist in getting efforts and the origination of the same brand between the same brady of the same of the balance. Now the question in the balance Now the the same brade Theemis Yeins. Try it cover and your black of the same of the same brade th

where an initiate of the answer of the states of the states

ne ruo nor heiliate to assist in the tarning down of John T. Morrison, the cleanest and ablett man who has ever occupied the governors' chair in Idaho. According to a recent press dis-tarticle and who was a start of the starting the patch, the governoment intends to open the forest reserves to social settless, and Secretary Wilson even settless, and Secretary Wilson even astimute the being on a home-trade of timber being on a home-trade of timber being on a homegoes so far as to state that one fact of timber being on a home-stead, will not bar it from suc-stead, will not bar it from sucstead will not bar it from suc-cessful homesteading. This seems good sense and the quicker to be-fined states. Land Office, Lewitzen, good sense and the quicker to be-for Idaho and the north-wester states.

Mr. Brady says he hopes the re-publican papers opposing him at the structure structure of the structure the primaries will not say any thing fata will make it hard for im to be cleared after a structure structure structure structure structure the structure structure structure structure structure structure The structure structure structure structure structure The structure him to be elected after the pri-maries. This is good advice and the governor should remember he is not the only republican running for governor, and to practice what he preaches he should gag a few of his papers until after the primarie

Of what avail has been Governor Rady a bomsta thoor porting the land board maiter to the uttermost ends of the earth and then some to "light states". The state of the earth and then some to "light states". The Rady a board maiter to the uttermost ends of the earth and then some to the baseline of this matter be and board matter to the ottermost ends of the earth and then some? In the beginning of this matter less war right and had the commenda-tion of the people, but his commenda-sequed hus motives with samplichon is great rush into print, was for his sole great reformer of the age, and that he had no acricous un-textion of exprosing the inner terms of the hereise workings of the land board, to the the detriment of his official inner, was have been been been been been been applied by the sole of t The deturment of his official family.
