# OROFINO ORCHARD TRACTS ARE NOW ON THE MARKET

This Beautiful Tract of Land, lying within sight of Orofino is now on the market and will be sold in five acre tracts. This land is the most fertile in the famous Clearwater Valley, and is adapted to fruit raising and gardening. This entire tract sub-irrigates, and in addition can be watered by springs from the hillside, which furnish water in quantities sufficient to supply a city. Secure one of these beautiful tracts at once and be sure of the advance that is bound to come in the near future.
