Stop it! And why not? Fall-ing hair is a disease, a regular disease; and Ayer's Hair Vigor, as made from our new im-proved formula, quickly and completely destroys that disease. The hair stops falling out, grows more rapidly, and all dandruff disappears. Does not change the color of the hair.

Ayer's Ask him about

The little book in each package gives the formula of our new Hair Vigor, tells why each ingredient is used, and explains many other interesting things. After reading you will know why this new hair preparation does its work no well.

Wants a North Idaho Man.

Wants a North Idaho Man.

There is one thing about the candidacy of Isonatory and Isonatory of R. F. O'Neil for governor that entitles it to serious counsideration at the hands of the people of Latah county. He is a north Idaho man, and as such would, everything considered, he preferable to any southern candidate. His relection would give the north the most powerful leverage for things of interest to this section, and enable northers from the late of the the state senate from Shoshone county, Everything being equal, it will certainly be poor business for the north to throw away an opportunity to get the governor.

The game is yet young, and in the meantime the people ought to do some serious thinking.—Moscow Star-Mirror.
